

2016-2017
Preorder Souvenir Bags
Or
Plan a visit to The Statehouse Museum Shop

If you plan to visit the Statehouse Museum Shop we would appreciate advance notice so we can schedule sufficient staff to help your group. Please allow a minimum of 15 minutes for students to shop and be sure to have **at least one chaperone for every ten children.** (We only have two cash registers.)

As an alternative to a store visit, souvenir bags may be ordered in advance, and picked up and paid for the day of your visit. These bags are a great value and can assure that each student takes home a memento without the pressure of having to make a decision or carry extra money. These bags are offered to groups at a discounted price; therefore prices in the store may be slightly higher than the prices quoted in this document. Prices for souvenir bags and custom bags include tax. Bags are **not** available for sale in the store. They must be ordered in advance.

Please choose no more than two different bags per group and order at least 5 days before your tour. Orders may be placed by phone, fax, email or by mail. **Please allow an extra week for orders you have sent in the mail.** We reserve the right to substitute comparable items for any item that might be temporarily out of stock.

Payment for orders will be collected when you pick bags up at the Museum Shop.
Payment must be made with cash, check, credit card, P.O. or money order.
Only ONE form of payment will be accepted for each order. Thanks for your cooperation.

This list may be used to design custom bags. **When designing custom bags please do not order more than 2 different bags per group.** Fill out form and fax to (614) 728-9775 or email to museumshop@csrab.state.oh.us. Any questions, please call (888)644-6123 or (614)728-9234. Please do not pass out copies of this list to your students as these prices are special for preordered bags. Prices on some items are slightly higher in the store. We assume the right to replace any items in a bag that may be out of stock with items of equal value.
