

Battery A, 1st Ohio Statehouse Light Artillery

I understand that reenacting is a potentially dangerous hobby, which includes working with and firing cannons and revolvers. I agree that I will follow all prescribed safety procedures to preclude harm to myself or others. I also understand that Capitol Square Review and Advisory Board, the Ohio Historical Society, the Statehouse Education & Visitors Center, Battery A, 1st Ohio Statehouse Light Artillery, and the Statehouse Civilian Corps do not carry or provide insurance against bodily injury, death, or property damage for members of this unit. We strongly suggest that you take out your own insurance.

I agree to indemnify, defend, and hold harmless the Capitol Square Review and Advisory Board, the Ohio Historical Society, the Statehouse Education & Visitors Center, members of the Battery A, 1st Ohio Statehouse Light Artillery, members of the Statehouse Civilian Corps, and any of their associates, from any and all claims, demands, damages, actions on causes of action, together with any and all losses, costs or related expenses asserted by any person or entity for bodily injury, death, or property damage ensuing from my participation in the activities of Battery A, 1st Ohio Statehouse Light Artillery.

I realize that the Ohio Statehouse is a public space and is thus concerned with the security of the building and the safety of the public. I agree to a background check conducted by the State Highway Patrol, which is responsible for the security of the Ohio Statehouse. I will present any firearms that I bring onto the grounds of the Ohio Statehouse, to the State Highway Patrol for safety inspection as requested.
