Plan a visit to The Statehouse Museum Shop *And* Preorder Souvenir Bags

We are excited you have chosen to visit the Ohio Statehouse. The Statehouse Museum Shop has many items for sale to commemorate your group's trip. We would like advance notice if you plan to visit the store so we can schedule sufficient staff to help your group. Please allow a minimum of 15 minutes for students to shop and be sure to have **at least one chaperone for every ten children.** (We only have two cash registers.)

We do offer an alternative to a store visit. We have 5 different Souvenir Bags that may be ordered in advance, picked up and paid for on the day of your visit. These bags are a great value and can assure that each student takes home a memento without the pressure of having to make a decision or carry extra money. Souvenir bags are offered to groups at a discounted price; therefore, prices in the store may be slightly higher than the prices quoted in this document. Prices for souvenir bags and custom bags include tax. Bags are **not** available for sale in the store. They must be ordered in advance.

Please choose no more than two different bags per group and order at least 5 days before your tour. Orders may be placed by phone, fax, email or by mail. Please allow an extra week for orders you have sent in the mail. If necessary, we will substitute an item if it is no longer available, with a comparable item. Please call or email to confirm your order has been received. 614-728-9234.

Payment for orders will be collected when you pick up bags at the Museum Shop. Payment must be made with cash, check, credit card, or money order. **Please, only one form of payment will be accepted for each order.** Thanks for your cooperation.
